

Maungawhau (Mt Eden summit)

Located at 250 Mt Eden Rd, 2.4km/5 min drive from downtown Auckland.

At 196m tall, Maungawhau or Mount Eden is the highest volcano in Auckland. From the summit, visitors can enjoy spectacular 360-degree views of the city and its harbours. A large, well-preserved crater, some 50 metres deep, is contained within the summit cone.

Buses from Downtown to Mt Eden Village (Mt Eden Rd) return are on bus route 277 or 274

Accessing the Summit

Opening hours—The Mt Eden Road and Tahaki Drive entrances to the park are open from 7am-8.30pm in summer and 7am-7pm in winter, aligning with daylight saving.

All vehicles are prohibited beyond the vehicle bollards, parking is available at the lower car park off Puhi Huia Rd. Cyclists are able to ride to the summit, motorbikes and scooters are not permitted. To walk to the summit it will take 5-10 min depending on your level of fitness utilising anyone of the walkways or on the summit road.

Limited mobility—Visitors to Auckland with limited mobility can request a temporary access code to gain entry to the summit road by calling the Auckland Council customer service centre (09 301 0101) on the day of their visit. Visitors may be asked to provide their Total Mobility scheme or Mobility Parking Permit number to verify eligibility.
